

Help Keep Our Community Strong

As we enter into our eleventh year of publishing, we at ***The People News*** would like to take this opportunity to thank all our readers, writers, advertisers and distributors. Without your encouragement, input and continued support our success would not have been possible.

As the new year may bring some tough economic challenges for many local businesses, we encourage our readers to extend that same loyalty and support to them by shopping locally.

**Wishing you all a Very Happy,
Prosperous and Safe New Year.**

Help Keep Our Community Strong Shop Local.
