Blonde Cop

A blonde woman was speeding down the road in her little red sports car and was pulled over by a woman police officer who was also a blonde. The blonde cop asked to see the blonde driver's license. She dug through her purse and was getting progressively more agitated.

"What does it look like?" she finally asked.

The policewoman replied, "It's square and it has your picture on it." The driver finally found a square mirror in her purse, looked at it and handed it to the police-woman.

"Here it is," she said. The blonde officer looked at the mirror, then handed it back saying, "Okay, you can go. I didn't realize you were a cop."

Moral of the Story

A teacher gave her class of 11 year olds an assignment: To get their parent to tell them a story with a moral at the end of it. The next day the kids came back and one by one began to tell their stories.

Ashley said, "My father's a farmer and we have a lot of egg-laying hens. One time we were taking our eggs to market in a basket on the front seat of the car when we hit a big bump in the road and all the eggs got broken."

"What's the morale of that story?" asked the teacher. "Don't put all your eggs in one basket!" "Very good," said the teacher.

Next little Sarah raised her hand and said, "Our family

are farmers too. But we raise chickens for the meat market. One day we had a dozen eggs, but when they hatched we only got ten live chicks, and the moral to this story is, Don't count your chickens before they're hatched." "That was a fine story Sarah."

Michael, do you have a story to share?" "Yes. My daddy told me this story about my Aunty Sharon. Aunty Sharon was a flight engineer on a plane in the Gulf War and her plane got hit. She had to bail out over enemy territory and all she had was a bottle of whisky, a machine gun and a machete. She drank the whiskey on the way down so it wouldn't break and then she landed right in the middle of 100 enemy troops. She killed seventy of them with the machine gun until she ran out of bullets. Then she killed twenty more with the machete until the blade broke. And then she killed the last ten with her bare hands."

"Good heavens," said the horrified teacher, "what kind of moral did your daddy tell you from that horrible story?" "Stay away from Aunty Sharon when she's been drinking."

Let There Be a Bridge

A biker was riding along a California beach when suddenly the sky clouded above his head and, in a booming voice, the Lord said, "Because you have tried to be faithful to me in all ways, I will grant you one wish."

The biker pulled over and said, "Build a bridge to Hawaii so I can ride over anytime I want."

The Lord said, "Your request is materialistic. Think of the enormous challenges for that kind of undertaking. The supports required to reach the bottom of the Pacific! The concrete and steel it would take! It will nearly exhaust several natural resources. I can do it, but it is hard for me to justify your desire for worldly things. Take a little more time and think of something that could possibly help mankind."

The biker thought about it

for a long time finally he said, "Lord, I wish that I and all men could understand our wives. I want to know how she feels inside, what she's thinking when she gives me the silent treatment, why she cries, what she means when she says nothing's wrong, and how I can make a woman truly happy."

The Lord replied, "You want two lanes or four on that bridge?"

Don't Be Late

A little girl, dressed in her Sunday best, was running as fast as she could, trying not to be late for Bible class.

As she ran she prayed, "Dear Lord, please don't let me be late! Dear Lord, please don't let me be late!" While she was running and praying, she tripped on a curb and fell, getting her clothes dirty and tearing her dress. She got up, brushed herself off, and started running again! As she ran she once again began to pray, "Dear Lord, please don't let me be late... But please don't shove me either!"

Sunday School Lesson

At Sunday school they were teaching how God created everything, including human beings. Little Johnny seemed especially intent when they told him how Eve was created out of one of Adam's ribs.

Later in the week his mother noticed him lying down as though he were ill, and she said, "Johnny, what is the matter?" Little Johnny responded, "I have pain in my side. I think I'm going to have a wife."

Relationships

Relationships are hard. It's like a full-time job, and we

should treat it like one. If your boyfriend or girlfriend wants to leave you, they should give you two weeks' notice. There should be severance pay, and before they leave you, they should have to find you a temp.

Escaped Convicts

Three convicts escape from jail and are being chased by police. They turn onto a dark alley and spot a bunch of potato sacks. Each of the three hide in one.

A policeman quickly comes through the scene and hears a rustling from the potato sacks. He goes over to them and kicks the first potato sack.

"Meow!" says the convict. And the policeman goes to the next muttering, "Stupid cats."

He kicks the second potato sack and the second convict says, "Woof!"

"Stupid dogs!" says the policeman while moving on to the next potato sack. The policeman kicks it, nothing, so he kicks it again and the last convict says, "Potato potato!"

Careful what you wish for

A government employee sat in his office, and out of boredom, decided to see what was inside his old filing cabinet. He poked through the contents and came across an old brass lamp. "This will look good on my mantel," he said, and took it home with him.

While polishing the lamp, a genie appeared and, as usual, granted him three wishes.

"I would like an ice-cold Coke right now." He gets his Coke and drinks it. Now that he can think more clearly, he states his second wish. "I wish to be on an island with beautiful women, who find me irresistible."

Suddenly, he's on an island with gorgeous women eyeing him lustfully. He tells the genie his third and last wish. "I wish I'd never have to work again." Instantly, he was back in his government office.

Housework

Housework was a woman's job, but one evening, Jenny arrived home from work to find the children bathed, one load of laundry in the washer and another in the dryer. Dinner was on the stove, and the table set.

She was astonished! It turns out that Ralph had read an article that said, "Wives who work full-time and had to do their own housework were too tired to have sex." The night went very well. The next day, she told her office friends all about it. "We had a great dinner. Ralph even cleaned up the kitchen. He helped the kids do their homework, folded all the laundry and put it away. I really enjoyed the evening."

"But what about afterward?" asked her friends. "Oh, that ..., Ralph was too tired."

Look Your Age

Joe's wife bought a new line of expensive cosmetics guaranteed to make her look years younger.

After a lengthy sitting before the mirror applying the "miracle" products, she asked, "Darling, honestly, what age would you say I am?"

Looking over her carefully, Joe replied, "Judging from your skin, twenty; your hair, eighteen; and your figure, twenty five."

"Oh, you flatterer!" she gushed.

"Hey, wait a minute!" Joe interrupted.

"I haven't added them up yet."
